

Breast Cancer Awareness Race Sponsorship

We are proud to announce our 2nd annual **Pretty in Pink Breast Cancer Awareness Race** benefiting cancer research at **The University of Texas at Dallas (UTD)**.

A financial or in-kind sponsorship is a great opportunity to showcase your business to our campus community and the community at large. Revenue generated from the race directly impacts cancer research here at UTD through the **Graduate Research and Cancer Education (GRACE) Fellowship Program**.

The GRACE Fellowship Program recognizes and supports outstanding students who are pursuing a doctoral degree in any discipline offered at UTD and are collaborating with one or more of our faculty members on cancer-related research. This program provides scholarship support for the prospective Fellow to perform cancer-related research under the mentorship of a UTD faculty member. To learn more about GRACE, visit: <https://utd.link/GRACE>.

Please note sponsorship opportunities listed below. Supporting the race as a sponsor ensures the maximum amount of race revenue can go back into cancer research at UTD.
